■ ASSOCIATE PARTNERSHIP
■ CORPORATE PARTNERSHIP

By becoming a RINA Partner, your organisation will join a distinguished network of pioneers in industry, academia, and government. This partnership offers a range of tailored benefits designed to support your organisation's strategic objectives and deliver added value to your business.

VISIBILITY & CREDIBILITY

Elevate your Global Maritime visibility and credibility worldwide

Partnership Recognition

A welcome spotlight on the partnership featured in the RINA Global Partner E-Newsletter, shared with RINA members and global partners. Announcement and recognition across RINA social media channels, including key partnership milestones.

Brand Toolkit

Receive an official Partnership Certificate and Crest, along with Brand Guidelines and a ready-to-use co-branded digital asset to support your partnership announcement.

The Partner Space

A dedicated presence on the RINA website, including access to the global Member and Partner Directory, Jobs Board to promote internal vacancies, and more.

Event & Industry Visibility

Promote your events and activities through the quarterly Global Partner E-Newsletter, RINA's channels, and other communications, providing a key platform for promotion and keeping up to date with developments across the maritime industry.

The RINA Awards

Opportunity to sponsor the prestigious RINA Awards (additional fee), providing high-profile exposure and positioning your brand alongside industry excellence and professional achievement. Based on your interests and expertise, we will aim to identify and inform you early of available relevant award sponsorship opportunities.

CONNECTION

Connect, collaborate and lead industry dialogue across the Global Maritime community

Community & Network

Opportunity to host and engage with members and partners through RINA Branch Events and RINA Member Nights. You will also gain access to international Branch Events streamed online, extending your reach beyond your local network.

Global Partner Spotlight

A dedicated quarterly e-newsletter offering partners exclusive visibility and the opportunity to share insights, updates, and achievements with RINA's Academic, Corporate, and Knowledge Partner community.

The RINA Forum*

Connect with naval architecture professionals worldwide to share technical knowledge, research, experience, and best practices through the RINA Forum.

ACCESS

Benefit from priority access across the global RINA network

Member Benefits

Access to the conference proceedings, technical archives, leading publications, preferential rates to RINA Events, complimentary digital subscriptions, training, and more.

Event Attendance

Complimentary tickets to one RINA Conference of your choice per year, plus VIP access to the President's Lecture and Annual Dinner.

Host Events

Receive exclusive access to host your own events at RINA Headquarters in London, UK at preferential rates.

INNOVATION

Advance technical excellence and drive maritime progress

Technical Articles

Opportunity to author and publish technical articles on aligned knowledge areas, with promotion across RINA platforms. Relevant publishing opportunities will be proactively identified, aligned with your interests and expertise, and you will be regularly informed of what is available.

Digital Interview

A digital interview, conducted by RINA, enhancing your organisation's profile and featured in the Global Partner Spotlight.

Vessel Showcase

Highlight vessels, projects, and design solutions demonstrating technical excellence, innovation, and applied engineering, with visibility across the RINA website, social media, events, and editorial materials, where relevant.

Committee Collaboration*

Sponsor technical papers and activity across RINA's IMO, Maritime Environment, Innovation, and Safety committees, gaining direct involvement with these industry-leading groups and helping to influence innovation, policy, and international maritime standards as part of the independent voice of the profession.

INSIGHTS & INFLUENCE

Shape the future of maritime engineering and naval architecture together

Collaborative Partnership

Opportunities to support RINA by co-hosting events and webinars, contributing to research projects, and collaborating on joint STEM activities.

Speaking Opportunities

Early notification of relevant speaking, panel, and presentation opportunities at RINA events, aligned with your interests and expertise.

Mentoring & Talent Development

Engage with student cohorts via the RINA Academic Network, promote internships and graduate schemes via RINA's channels and Jobs Board, connect with Academic Partners, and stay informed about local careers fairs.

Professional Development

Access RINA's professional registration and accreditation services at exclusive partner rates, supporting the development and recognition of your engineering talent.

RINA PATRON PARTNERSHIP

The **RINA Patron Partnership** is our most exclusive and prestigious level of engagement, designed for organisations seeking a truly strategic relationship with RINA and a leading presence across the global naval architecture and maritime engineering community.

Offered on a one-year term and limited to one Patron per flagship event or conference, this partnership provides a rare opportunity to collaborate closely with RINA on high-profile, industry-shaping activity.

Why the Patron Partnership is limited?

To protect the integrity, impact, and seniority of this collaboration, the RINA Patron Partnership is limited to one organisation per flagship event or conference each year. This ensures that every Patron receives genuine prominence, direct engagement with RINA leadership, and a clear, uncontested platform to showcase their expertise, innovation, and contribution to the profession.

This exclusivity allows RINA to work closely with each Patron to deliver a bespoke, high-impact partnership that goes far beyond standard sponsorship or visibility.

Why should you become a Patron?

As a RINA Patron, your organisation will benefit from:

- **Gold Sponsorship** of a flagship RINA event, positioning your brand at the centre of industry dialogue
- A jointly delivered **Webinar with RINA**, showcasing your expertise and thought leadership
- A feature in **The Naval Architect**, highlighting your organisation, innovation, and contribution to the profession
- Full access to **all Corporate Partner benefits**, including visibility, access, innovation platforms, and influence opportunities

The Patron Partnership is designed for organisations that want more platinum level visibility. It offers exclusivity, collaboration, and leadership, placing your brand alongside RINA at the forefront of maritime engineering excellence.

The RINA Patron Partnership is available by invitation and enquiry. For more information on investment and availability, please contact The RINA Corporate Partners team: corporatepartners@rina.org.uk
