

ASSOCIATE MEMBERS

Founded in 1860, today the **Royal Institution of Naval Architects** is an internationally renowned professional institution whose members are involved at all levels in the **design, construction, and maintenance of marine vessels and structures**. Members of the Institution are widely represented in industry, universities and colleges, and maritime organisations world-wide.

The **Royal Institution of Naval Architects** enjoys an outstanding reputation for the quality and range of its publications, including its **technical journals**, and **conference proceedings**, covering all aspects of the maritime industry. The Institution also organises an extensive and successful programme of **international conferences, seminars** and **training courses** covering a broad range of experience and opinion on research, development and operation in all technical aspects of the maritime industry.

Those who are involved in the design, construction and maintenance of marine vessels and structures in a technical capacity, and who are actively working to achieve the standard of professional competence required for full membership of the Institution may apply to become **Associate Members** and enjoy the following **benefits and services**:

- Demonstration to potential employers of early commitment to obtaining a **professional qualification** which is internationally recognised as reflecting the achievement of the highest standards of professional competence and integrity.
- Advice and assistance on **further education, training** and **professional development**.
- Up to date information on **technical developments** in the maritime industry and on Institution **events** through the Institution's journals and eNewsletters.
- Free subscription to the Institution's leading technical journals - ***The Naval Architect***, ***Warship Technology***, and ***Offshore Marine Technology***. Free subscription (first 12 months) to the journals ***Ship & Boat International*** and ***Shiprepair & Maintenance***.
- Free copies of technical papers published in the ***International Journal of Maritime Technology***, the ***International Journal of Small Craft Technology***, the ***International Journal of Marine Design*** and ***Conference Proceedings***. **Reduced rates** on all other publications.
- Reduced rates on Institution **conferences, seminars and training courses**
- **Sponsored places** at Institution conferences and training courses (if still in full-time education).
- Access to **library** and **meeting room** facilities.
- **Opportunity to meet and exchange views with other maritime industry professionals** at local Branches, conferences and online technical forums.

To become an **Associate Member** of the Royal Institution of Naval Architects, complete, save and forward the Application Form overleaf to hq@rina.org.uk

DECLARATION

I confirm that the statements contained in this application are correct and I agree that in the event of my election as a member of the Royal Institution of Naval Architects, I will be bound by its Bye-Laws and Code of Professional Conduct.

If elected, I agree that the Institution may hold personal data provided by myself, to be used only in connection with membership and Institution activities. I also agree that I may be sent notification of such activities, together with information on technical developments in the maritime industry through the Institution's eNewsletters. I understand that I may stop receiving such notifications at any time.

When completed, forward this form to hq@rina.org.uk
