

STUDENT MEMBERS

Founded in 1860, today the **Royal Institution of Naval Architects** is an internationally renowned professional institution whose members are involved at all levels in the **design, construction, and maintenance of marine vessels and structures** in over 90 countries. Members of the Institution are widely represented in industry, universities and colleges, and maritime organisations world-wide.

The **Royal Institution of Naval Architects** enjoys an outstanding reputation for the quality and range of its **technical journals, Transactions** and **conference proceedings**, covering all aspects of the maritime industry. The Institution also organises an extensive and successful programme of **international conferences, seminars** and **training courses** covering a broad range of experience and opinion on research, development and operation of all aspects of the design, construction and maintenance of marine vessels and structures.

Those who are studying to gain an academic qualification in a subject relative to the design, construction and maintenance of marine vessels and structures are eligible to join the Institution as **Student Members** and enjoy the following benefits and services:

- Up to date Information on **technical developments** in the maritime industry and Institution **events** through the Institution's journals and eNewsletters.
- **Free copies** of all the Institution's leading online technical journals - *The Naval Architect; Warship Technology; Offshore Marine Technology; Ship & Boat International; Shiprepair & Conversion Technology.*
- Free copies of **technical papers** published in the *Transactions - International Journal of Maritime Engineering; International Journal of Small Craft Technology; International Journal of Marine Design* – and in *Conference Proceedings*. **Reduced rates** on all other publications.
- **Awards, prizes** and **sponsored places** at the Institution's conferences and seminars.
- **Advice and assistance on further education, employment, training and professional development** after graduation.
- Access to the **library**.
- **Opportunity to meet and exchange views with other maritime industry professionals**, at local Branches, conferences and online professional forums.
- Demonstration to potential employers of **early commitment** to obtaining a **professional qualification** which is internationally recognised as reflecting the achievement of the highest standards of professional competence.
