

RINA PATRON PARTNERSHIP

Highest level of partnership, designed for organisations seeking a strategic relationship and a prominent role across the global naval architecture and maritime engineering community.

Offered on a one-year term and limited to one Patron per flagship event or conference, this partnership provides an opportunity to collaborate closely with RINA on high-profile, tailored activity.

WHY BECOME A RINA PATRON?

- **Receive Gold Sponsorship of a flagship RINA event, positioning your organisation at the centre of relevant industry discussions.**
- **Deliver a joint webinar with RINA to share your expertise and technical insight.**
- **Receive a dedicated feature in The Naval Architect, highlighting your organisation's work, innovation and contribution to the profession.**
- **Work closely with RINA to develop a tailored programme aligned with your organisation's priorities.**
- **Access all Corporate Partner benefits, including visibility, technical resources, thought-leadership platforms and engagement opportunities.**

WHO IS IT FOR?

The RINA Patron Partnership is intended for recognised industry leaders seeking:

- Long-term strategic relationship with RINA.
- Prominent visibility across RINA's network.
- Opportunities to demonstrate technical leadership.
- Closer engagement with the profession and its future development.

VISIBILITY & CREDIBILITY

Enhance your organisation's presence across naval architects, maritime engineers and associated professionals in over 140 countries.

Brand Toolkit

- Receive an official Partnership Certificate and Crest, brand guidelines and a ready-to-use co-branded digital asset to demonstrate partnership.

Partnership Recognition

- Receive a welcome feature in the RINA Global Partner Newsletter and an announcement on RINA's LinkedIn page.

Partner Profile

- Gain a dedicated presence on the RINA website, including a listing in the Global Partner Directory.

Event & Industry Visibility

- Share relevant events, activities and organisational updates through the quarterly Global Partner Newsletter and selected RINA communication channels.

RINA Awards

- Sponsor a RINA Award for an additional fee, gaining high-profile visibility alongside professional excellence and achievement. Where possible, RINA will identify and share relevant sponsorship opportunities based on your organisation's expertise and interests.

CONNECTION & COMMUNITY

Build relationships across global network, exchange knowledge and connect with partners, professionals and emerging talent across naval architecture and maritime engineering.

Talent & Workforce Development

- Connect with skilled professionals and emerging talent across member network, including students, graduates and Academic Partner institutions. Promote vacancies, internships and graduate schemes through RINA's channels and Jobs Board, and stay informed about relevant careers fairs and talent initiatives.

Collaboration & Engagement

- Work with RINA to host and co-host Branch events, RINA Member Nights, webinars and other activities, while contributing to research projects, STEM initiatives and opportunities to engage with members and fellow partners.

Global Partner Newsletter

- Receive exclusive quarterly updates from across the RINA Global Partner network, including partner news, industry insights, upcoming opportunities and examples of collaboration across the community.

RINA Forum*

- Connect with naval architecture professionals worldwide to exchange technical knowledge, research, experience and best practices through the RINA Forum. *coming soon

ACCESS & DEVELOPMENT

Unlock priority access to RINA's technical resources, flagship events, and professional spaces.

Technical Resources & Publications

- Access RINA publications and technical resources, including our flagship magazine, The Naval Architect, conference proceedings, journals, past webinars, event recordings and technical newsletters.

Host Events

- Receive exclusive access to host your own events at RINA headquarters in London, UK at preferential rates.

Event Attendance

- Receive complimentary places at one RINA conference of your choice each year, priority access to the President's Invitation Lecture and Annual Dinner, and preferential rates for selected RINA events and conferences.

Professional Development

- Access RINA's professional accreditation and registration services at exclusive partner rates, supporting the development and recognition of your engineering talent.

INNOVATION & INFLUENCE

Engage with emerging technologies, applied research and collaborative initiatives to advance the art and science of naval architecture and maritime engineering.

Global Partner Spotlight

- Take part in a digital interview with RINA, showcasing your organisation's expertise, work and achievements in the Global Partner Newsletter.

Technical Articles

- Contribute technical articles in areas aligned with your organisation's expertise, with selected content promoted through RINA's channels. RINA will share relevant publishing opportunities as they arise.

Project Showcase

- Showcase vessels, projects and design solutions demonstrating technical excellence, innovation and applied engineering through relevant RINA website, social media, event and editorial channels.

Speaking Opportunities

- Receive early notice of relevant speaking, panel and presentation opportunities at RINA events, aligned with your organisation's expertise.

Committee Collaboration

- Sponsor technical papers and activities across RINA's IMO, Maritime Environment, Innovation and Safety committees, gaining direct involvement with these industry-leading groups and helping to influence innovation, policy, and international maritime standards as part of the independent voice of the profession.

A LIMITED AND TAILORED PARTNERSHIP

To ensure each Patron receives meaningful recognition and engagement, RINA limits the partnership to one Patron per flagship event or conference each year.

This allows RINA to work closely with each organisation and provide a clear platform to share expertise, support relevant activity and engage with RINA's leadership and professional community.
