

RINA/IMarEST Technical Presentation

Design and Construction of *White Rabbit*: the World's Largest Trimaran Superyacht

Speaker: Steve Quigley, Managing Director
and
Rob Tulk, Principal Naval Architect
One 2three Naval Architects

Date Wednesday 29 May 2019

Venue: Mitchell Theatre
Sydney Mechanics School of Arts
Level 1, 280 Pitt St
Sydney

Refreshments: 6:00 pm

Presentation: 6:30 pm

Following a four-year design-and-build program, Echo Yachts in Henderson, Western Australia, launched the One2three-designed trimaran superyacht *White Rabbit*. At 84 m in length and 20 m beam, she is the largest trimaran superyacht in the world, and the largest aluminium yacht built in Australia. *White Rabbit* was recently awarded Boat International's Design and Innovation Award for Best Naval Architecture Displacement Yacht.

This presentation will give a rare behind-the-scenes review of the project: how it came about, the major players involved, and what it takes to successfully commercialise and deliver an 84 m superyacht.

Please note the date (fifth, not first, Wednesday of the month), and the venue in the CBD.

The following presentation will be on Wednesday 3 July at Engineers Australia, Chatswood.
