Have you ever wanted to see a modern yacht building facility? See the most up to date luxury yachts being built today? Princess Yachts is a world leading luxury yacht manufacturer which has been based in Plymouth for over 50 years and proudly produces over 80% of each and every yacht in Plymouth. The Newport Street site is the original manufacturing facility and is the home of Princess Yachts – crafted in Plymouth.

The tour includes the assembly lines of the Flybridge boats which range from 45' to 85' and a look at a fascinating site steeped in maritime boat- building history which now hosts the manufacturing facility of today's modern luxury yachts from the latest Princess models..

There are only 20 places available, to reserve a place please email: [Charlotte.Heath@princessyachts.com](mailto:Charlotte.Heath@princessyachts.com)  
 Places are on a first come first served basis.

There will be a small fee, collectable on the day, of £5 per person, which will go to a Princess Yachts' charity of choice. Once you are confirmed on the tour, you will need to provide your full name to enable you to gain access to the site. Safety glasses and hi-vis will be provided, please wear suitable shoes. Parking will not be provided; however there is local council parking nearby.
