

VACANCIES IN IRELAND

Department of Transport

The function of the Marine Survey Office is to ensure the implementation of national and international legislation relating to safety of life at sea, security, living and working conditions and prevention of pollution of the marine environment from ship related sources. Vacancies now exist in the following roles:

■ Engineer and Ship Surveyor

The ideal candidate will possess a Certificate of Competency as Chief Engineer (STCW Reg. III/2) valid for service in the Irish Merchant Marine and have satisfactory watch keeping experience in a senior capacity. S/he will have satisfactory experience in ship operation, repair, and maintenance management.

■ Nautical Surveyor

The ideal candidate will possess a Certificate of Competency as Master (STCW Reg. II/2) valid for service in the Irish Merchant Marine and have satisfactory watch keeping service in a senior capacity. They will have satisfactory experience in ship operation, maintenance and management.

■ Ship Surveyor

The ideal candidate will possess a qualification at Level 7 on the National Framework of Qualifications in Naval Architecture or an equivalent qualification and will have satisfactory experience in implementing the theory and practice of naval architecture.

THE CLOSING DATE FOR APPLICATIONS IS: 3PM THURSDAY 9 SEPTEMBER 2021
